

THE HIDE

THE HIDE

This menu has been prepared for the benefit of those who frequent our bar stools and chairs, so that they may know what is really good and how they might order it.

Should you prefer a classic mixed drink that is not on this list, please ask your bartender and we will match your requirements as exactly as we can.

We primarily aim to provide you with the best possible mixed drinks, but at the same time we prefer not to ignore our wines and beers, offering a diverse, and we hope you'll agree, excellent range. If wine is your thing, please also ask for our selection of reserve bottles – not necessarily expensive, but certainly interesting.

Respectfully at your service
